

TRIBALIQ™

Your Company's AI Skills Vault.

Protect Institutional Knowledge

Before it Walks Out the Door

Capture your company's most valuable expertise, accelerate employee development, and strengthen workforce continuity.

WHAT TRIBAL IQ™ HELPS HR LEADERS ACHIEVE

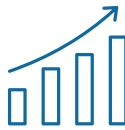

Protect Institutional Knowledge

Capture specialized expertise before retirement, turnover, transfers, or change put it at risk.

Shorten Time to Competency

Give new employees an accessible place to learn, ask questions, review procedures and verify understanding.

Strengthen Succession Planning

Transfer practical knowledge to the next generation of leaders, supervisors, and key contributors.

Reduce Pressure on Experts

Stop relying on the same few people to answer recurring questions and repeat the same training.

Reinforce Consistency

Ensure employees get guidance aligned with your approved policies, standards and expectations

HOW IT WORKS

1 Ask

Use voice or text to ask questions naturally.

2 Get Answer

Receive trusted answers grounded in your approved information.

3 See References

Open the procedure, checklist or video that supports the answer to get more details.

4 Retain & Grow

Start small and keep updated as processes or information changes.

THE URGENCY

The knowledge gap does not begin when someone leaves.

It begins every day that critical know-how remains undocumented, inaccessible, or dependant on one person.

The longer you wait, the more valuable knowledge remains vulnerable.

What knowledge would your organization struggle to replace?

Bring us your IT, security, privacy and AI governance requirements. We'll work through how Tribal IQ can be configured to meet the security requirements of your organization.
