

TRIBAL IQ™

Your Company's AI Skills Vault.

YOUR KNOWLEDGE SHOULD NOT HAVE TO LEAVE YOUR CONTROL TO BECOME USEFUL.

Rather than treating organizational knowledge as part of a general-purpose AI ecosystem, Tribal IQ™ is designed to provide employees with answers grounded in the information your organization has approved.

WHAT TRIBAL IQ™ IS DESIGNED TO PROTECT

ISOLATE COMPANY KNOWLEDGE

Keep proprietary knowledge separate from general-purpose AI systems.

CONTROL THE SOURCE

Answers are grounded in approved organizational information rather than uncontrolled external content.

PROTECT DATA

Protect data with enterprise cloud infrastructure and security controls.

CONTROL ACCESS

Control who can access specific company knowledge.

PROVIDE TRACEABILITY

Allow users to see the procedure, document, checklist or other approved source supporting an answer.

HOW IT WORKS

1 Ask

Use voice or text to ask a question naturally.

2 Get Answer

Tribal IQ searches the organization's approved knowledge environment.

3 See References

Receive guidance grounded in authorized company information..

4 Retain & Grow

See the source material supporting the response..

SECURITY BY DESIGN

Enterprise knowledge should not automatically become public AI knowledge. Tribal IQ™ is being designed around controlled access, approved information sources and isolated organizational knowledge environments.

The objective is simple: make company knowledge more accessible without making it less protected.

PUT TRIBAL IQ™ THROUGH YOUR SECURITY REVIEW

Bring us your IT, security, privacy and AI governance requirements. We'll work through how Tribal IQ can be configured to meet the security requirements of your organization.
